Post 60th Reunion Newsletter

Greetings, Classmates!

We have concluded a marvelous 60th class reunion. We think everyone had a good time. Our thanks again goes out to those who served on the reunion committee and especially to Allen Kennison and Larry Holland for allowing us to come to their places and enjoy their stunning preservation of the past.

We apologize for the length of time that has elapsed since the reunion and now. Our committee members have had many things to attend to that has delayed our letter and the update of the class website. Now this is more a Christmas letter, so Merry Christmas to all of you and yours.

If you are receiving this letter in the mail, it means we do not have an email to reach you. If you have an email, please respond to larrysidwell@comcast.net. With an email we can reach you more often and a much less expense and effort.

We have begun to post a visual record of our reunion on the class website, www.jhs61.com. We invite all to go online to the website and enjoy the pictures capturing the events and classmates who attended. We invite anyone who has pictures from the reunion you want to share in us to send them to ron@wer.com.

We sincerely missed those of you who could not come, whether because of distance, previous engagements, illness, or some other reason. We are becoming a more closely knit group of friends, and we wish to include everyone who went to school with us. We still have a number of classmates whom we have not found: Jim Jensen, Ruth Sams, Donna Riley, Carol Ann Harley Stephenson, Tom Robertson, Beverly Stoehr Ashworth, Pat McCarty. If you have or can get information on these classmates, please let us know.

We anticipate that many of us will be changing our addresses in the years ahead. Please help us to keep a current class directory by sending in your address changes to ron@wer.com. This email address may also change in the future. When it does, we will post the change to the website.

www.jhs/61.com is our key to connect with one another. We encourage you to send in biographies, pictures of our high school era, and anything you think might strengthen the ties that hold our class together.

Our next reunion is in five years. If you would like to help plan the 65th reunion, please let us know at ron@wer.com.
