VOLUME LI, NO. 52

JEROME, IDAHO, THURSDAY, MAY 14, 1959

## *Safe young drivers*

... Members of the Jerome Road Gents Rod and Custom Car club and the Falcon Car Club swarm over two of their cars prior to the start of the Road Rally sponsored Sunday by the Road Gents to teach driving safety to young motorists. Both clubs teach road courtesy and safety as an integral part of the organizations. The boys have the full support of the Jerome Police department, and are a welcome relief from the monotonous hue and cry of "juvenile delinquents" heard throughout the nation.

## It's Three Down and One to Go

It's three down and one to go for the Jerome Tiger 880-yard relay team following a five-yard victory in the class A regional track and field meet in Twin Falls. The squad has won the Big Seven conference and district titles to go along with the regional. The big

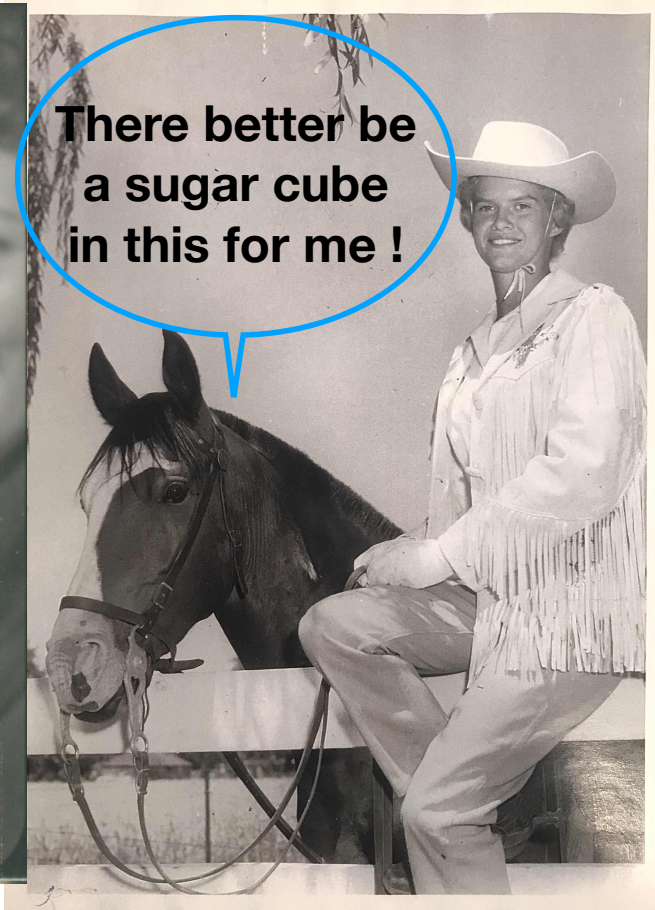

plum is the state meet in Boise next week. From left are Terry Small, Tim Lavens, Ron Woolley and Jim Magarrell. The quartet has lost only once this year, that coming in the first meet of the year. (Staff photo-engraving)
